CAUSE

The above sanction was recommended after Kapral was convicted of Driving Under the Influence of Alcohol on February 8, 2006, in Stratford Municipal Court, Stratford, New Jersey. He was subsequently assessed \$769 in fines and penalties, ordered to complete a 12 hour impaired driver program (IDRC), and he received a 90 day suspension of his New Jersey driver license. According to the Stratford Township Municipal Court Clerk, Kapral satisfied his fines & penalties in full, completed IDRC on May 26, 2006, and his New Jersey drivers license was restored on May 7, 2006.

As a punitive sanction for the above conviction, the undersigned recommended that Kapral's conditions of supervised release be modified to include a period of home confinement with electronic monitoring for 90 days (self pay). Kapral consented to this modification in lieu of a formal hearing, and the Court concurred with this proposed modification in a response dated May 25, 2006. Kapral's home confinement with electronic monitoring was subsequently initiated on July 5, 2006.

On May 23, 2006, Kapral was arrested for Driving Under the Influence of Alcohol (DUI), Speeding, and Reckless Driving in Gibbsboro, New Jersey. The Court was notified of this second arrest in a letter dated June 12, 2006, although no court intervention was requested at that time pending disposition of the above charges. Instead, Kapral was referred to a substance abuse treatment program at SODAT, and he was instructed to comply with all conditions pertaining to the recently imposed home confinement modification. The Court concurred with this officer's recommendations in a response dated June 15, 2006.

On August 17, 2006, Kapral appeared in Gibbsboro Municipal Court and was convicted of an amended charge of Careless Driving. The DUI, Speeding, and Reckless Driving charges were dismissed. Kapral was fined \$206, assessed \$33 in court costs, and received a 6 month suspension of his New Jersey drivers license. In consideration of this disposition, the undersigned requested that the Court take no further action in this matter, and that Kapral continue his present mode of supervision. The Court concurred with this officer's recommendations in a response dated September 13, 2006.

Kapral subsequently completed home confinement without incident on October 4, 2006. Prior to the imposition of this sanction, Kapral was diagnosed with a detached retina which has required him to undergo surgery to repair same. He is currently unable to work and is subsisting on Social Security/disability benefits. Based on documented financial information which substantiates Kapral's current indigent status, the undersigned is requesting that the costs of electronic monitoring imposed during his term of home confinement be waived.

Please review the following options and check the box that accurately reflects the Court's position in this matter. The undersigned will avail myself for consultation in this matter and can be reached at (732) 933-9418, should you have any questions or need additional information.

Respectfully submitted,
